**RESPONSE TO REQUIREMENT FOR INFORMATION UNDER 37 CFR §1.105**

The following is a reply to the Office communication dated 08/26/2005:

In response to the examiner's request for information, as outlined in paragraph A of the communication, the applicants submit that the requested information is not readily available for the following reasons. The Assignee, Poulsen Roser A/S, as a plant breeding company, has not been directly involved with marketing, sales, or distribution to the public of the claimed plant.

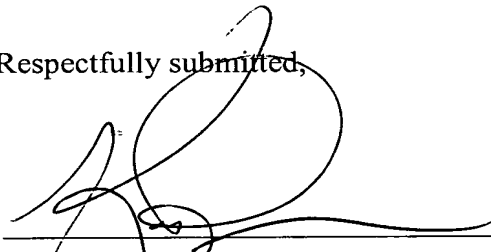

Therefore, the company does not maintain files containing publications, advertisements for sale, offers for sale, or distribution to the public.

In response to the examiner's request for information, as outlined in paragraph B of the communication, the applicants submit that the public information related to sales, offers for sale, public distribution of the claimed plant, or whether said public availability would have been unnoticed by those skilled in the art is not readily available for the reasons listed above.

In response to the examiner's request for information, as outlined in paragraph C of the communication, the applicants submit that one of ordinary skill in the art would have been able to establish the name and address of the breeding company Poulsen Roser A/S from any public PBR document.

In response to the examiner's request for information, as outlined in paragraph D of the communication, the applicants submit that the requested information is not readily available.

Respectfully submitted,

11 OCT 05
